

Elite Tree Services (East Anglia) Ltd

Waste Policy

Elite Tree Services (East Anglia) Ltd is committed to meeting the needs of its clients and customers in an environmentally sound manner by seeking to minimize its environmental impact and acting on opportunities to generate environmental benefit.

Our company understands the importance of waste management and its effect on the environment. We are committed to minimizing waste production by employing Reduction, Re-use, and Recycling techniques at every stage of our operation. We are committed to ensuring that all operations and activities are fully compliant with all current waste management legislation.

We have set the following aims and objectives:

- To minimize waste production in all our working activities.
- To operate within full compliance of Environmental Law
- Employ effective waste management practices to identify the most efficient methods to maximize the re-use or recycling of waste products.
- Manage the process to ensure compliance with best practice

Through training and support, ensure that all staff are aware of their responsibilities under Environmental Law and how compliance can be achieved and maintained.
